Description

Classic table lamp, 20th century

Enhance your interior with this classic table lamp, combining the nobility of wood and the shine of bronze. Dominated by a female bronze statuette, this piece of lighting holds a glass pendant delicately engraved with floral motifs, measures 62 cm in height with a base of 25 cm, and is topped with a lampshade with an additional diameter of 22 cm. The whole is a testament to refinement and elegance, with a sculpted lamp base that evokes the details and finesse of a bygone era.

This lamp, both functional and decorative, will emit a warm light while serving as an artistic focal point in any room.
