Description

Large oil painting on canvas, "Nobildonna and child," signed, 1940s

Large and beautiful painting depicting Nobildonna seated and child at her side. Richly detailed painting depicted in the minutest details of the interior scene depicted. The painter's skill also lies in depicting the two characters in elegant clothes, centering the scene in the "game" between mother and child trying to call her attention.

The painting surely was commissioned for a noble family in northern Europe.
