Description

Exceptional bronze andirons

Give your home a look of grandeur with this pair of solid bronze andirons. With an imposing length of 110 cm and a height of 34 cm, these fireplace accessories are remarkable witnesses of traditional craftsmanship. Their bronze structure features classic ornaments with carefully carved details, elegant scrolls and allegorical figures, giving these pieces unparalleled presence and sophistication. With an 18 cm leg widening to 11 cm, they promise stability and style to frame your fireplace.

Perfect for refined interiors and historic homes, these andirons are sure to catch the eye and spark conversation.
