

Hunting Scene XVIII Eme

Description

Large painting from the end of the 17th and beginning of the 18th century representing a hunting scene with horses and dogs. Very beautiful large format oil on canvas: -.1.10 mm x 0.80 cm. Without frame. In very good shape ! Very beautiful pictorial technique! From Bordeaux castle! Very interesting painting probably by a great painter's hand given the final rendering and all the details provided by the painter's brush. Do not miss ! Rare and visually magnificent!
