Description

Superb and rare silvered bronze stamp representing a man in the spirit of the characters of Daumier who was a French engraver, caricaturist, painter and sculptor, whose works commented on social and political life in France in the 19th century. This silvered bronze figurine represents a standing man wearing a large fur coat, a jacket, a bow tie and glasses with a full head of hair. Superb work of carving and great finesse of the lines, hands in his pockets this man of high society is a real sculpture, the initials on the stamp his AP
