

Buddhist Print Fudo Myoo Naritasan

70 EUR

Period : 20th century

Condition : Très bon état

Material : Paper

Length : 55 cm

Width : 34 cm

Description

print by fudo myoo with these two children. It is marked naritasan or mountain, because fudo myoo has a very important temple dedicated to him in the city of Narita following a battle, the image of the entity had been brought and helped in the victory. But the image was so heavy that we had to leave it there and create a place of worship in its honor.
