Henry Darcy born October 21, 1840 in Troyes
(Aube) and died November 25, 1926 in Sèvres
(Hauts de Seines), was an industrialist² and a
senior French civil servant. The Central
Committee of the Coal Mines of France was
created in 1887, under the leadership of Henry
Darcy, to defend the professional interests of the
coal companies. The Central Committee of Coal
