Wheelwright's Plane - France - 19th Century

480 EUR

Period : 19th century

Condition : Très bon état

Material : Other

Description

Wheelwright's Plane
France, 19th century
Wood with shiny patina and iron
H. 4.5; W: 5; L: 9 cm

A hand plane made of wood, probably fruitwood, with a shiny patina, a three-lobed light and an iron blade.
Because of the inclination of the blade, this plane was used to work the wood from end to end.
