Description

Chinese drum-shaped coffee table - 20th century
The cabinet is in Asian Chinese style with red coromandel finish, brass ring handles for easy movement. The 4 arched doors, in the centre, are perforated to facilitate opening. Inside there are 4 small barrel-shaped stools, lacquered and decorated with golden designs. They are equipped with two rings to be moved. The table top is richly decorated with semiprecious stones, an oriental scene with female figures is represented, the top is protected by thick glass. The state of conservation is perfect. Dimensions: maximum diameter cm. 85 - diameter of the support surface cm. 74 - height cm. 50 - stools height cm. 33
