Description

Théophile Alexandre Steinlen (1859-1923)
(attributed to): "The building painter", pencil
drawing on tracing paper 25 invisible
accompanied by numbers at the bottom left
recalling that of Steinlen's workshop, a small tear
in the painter's right hand, mounted by a
Marie-Louise in a small gilded frame 35 x 27 cm.

Well ! It wouldn't have been a job for me! No
scaffolding at the time: we climbed a knotted
rope to which we held on by leg braces to work.

Our worker dressed in the traditional blouse and
cap is at work under the eyes of a woman at her
window. Do not hesitate to ask us for photos or
additional information by email or telephone.
