

Ivory Christ In Its Carved And Gilded Wooden Frame, Called "bed Base".

1 300 EUR

Period : 18th century

Condition : Très bon état

Material : Ivory

Width : 40

Height : 66

Description

Beautiful ivory "bed base" of Christ with the objects of the passion (bones, skull, INRI). His head is bowed and his body slightly detached from the cross. The frame, with miters, in carved and gilded wood in the 'Bérain' style, is covered with black velvet surrounded by mirrored glazing beads. Patterns of flowers, plants, scrolls and plumes on the pediment. Interesting devotional object from the early 18th century in very good original condition.
