

High Bronze Mortar With Scanned Decor Of 5 Registers With Wings And Medallions - 17th Century

450 EUR

Period : 17th century

Condition : Bon état

Material : Bronze

Diameter : 12,3 cm

Height : 11 cm

Description

High bronze mortar with patterned decoration of 5 registers with wings and medallions - 17th century bronze. Deep sectional body with corbeled rim.

Decorated with 5 medallions at the bust of Diana carrying quiver and bow, punctuated with winged buttresses.

Good condition, beautiful original patina.

Note: this mortar is interesting because of its unusual proportions (see last photos).

Dimensions: 11 cm high x 12.3 cm diameter

Weight: 1,850 kg
