removable seats to withstand the rain, these quality pieces having a certain density for the housewife; the active profile of the armrest gives it all its allure and comfort and the one meter high backrest provides all the support for the back for optimal comfort, they are not narrow and allow use without the risk of being trapped. ... There is a white floral canvas which doesn't suit it so badly and protects the original cake. Outdoors or indoors this pretty dining space is solid, clean and in an uninhibited baroque style without ostentation... A very beautiful set of quality like you rarely see... The tray in very good condition, well overflowing allows rational use of the table turn... Without being bothered by the feet
