Description
-------------

Here is an elegant shepherdess from the end of Louis It has a large flat back with a basket-handle top flanked by cushioning. The origin of the arms starts from the top of the backrest. The armrest support takes the form of an inverted console. Connection dice on the front start from the tapered and roughened front legs. The lower rear legs are also turned and very angled. Very elegant model with its wood trimmed in period lacquered gray. Absence of the cushion on the low curved seat. This has been redone but not hollow. Completely reupholstered in elegant blue velvet. Charming model which can be perfectly suited to a room with contemporary or classic decor...Very decorative! Belt 66 cm Back height 61 cm Back width 55 cm Seat width 35 cm at the deepest point.
