width: approximately 13.5 mm, thickness:  
approximately 8.3 mm, width of the ring at the  
base: approximately 1 mm.

Net weight: approximately 4.3g.

Old jewelry - French work from the 1970s.

Our opinion: The old daisy rings made of gold  
thread are characteristic of the 1960s/70s. The  
emerald set on this antique ring is a bright and  
intense green.
