### Description

Elegant Cup in Baccarat Crystal and Silver Metal,  
19th Century Period

We have the honor of offering to the collection an exceptional cup dating from the 19th century, combining the finesse of Baccarat crystal with the luster of silver metal.

This piece, 31.5 cm high and 28 cm in diameter, is a testimony to the elegance and luxury of the tableware of the time. The crystal bowl, remarkable for its transparency and precise cutting, plays with the light to create a striking sparkle. It rests on a silver metal foot, richly decorated, reflecting the skill and precision of the goldsmiths of this period.
