

Angelo Mangiarotti Style Murano Chandelier.

2 800 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Diameter : 42

Height : 122

Description

Large pendant light with circular frame in solid brass, composed of 195 mouth-blown elements, each forming a double hook and connected to each other. The luminaire is equipped in its center with an E27 bulb surrounded by a translucent cylinder of crystallized (interior) and smooth (exterior) glass. This aesthetic system avoids a glare effect and optimal diffusion of light through the transparent glass laces. Italian work from the 60s, to compare with the productions of Angelo Mangiarotti for Vistosi (Giogali model) in Murano. H max 122 CM (H Chandelier only 82 CM) X Diameter 42 CM. E27 LED bulb supplied. 12 replacement rings are provided. For safety reasons, this chandelier will only be sent by carrier, carefully dismantled and packaged on a pallet. Assembly time approximately 40
