

## Rare And Beautiful Salon Liqueur Cabaret In Very Ornate Red Tortoise Shell Marquetry

### Description

I present here an exceptional piece of Parisian work worthy of Feaubourg, entirely in line with the Tahan of 1860. Decoration of rich and fine chiseled bronzes on a box with moving shutters and perfect black lacquer, on a base with moving feet and chiseled with fineness like the whole spectacular and magnifying box; the different ornaments, scraps; baroque belt worked on the top of a beautiful undulating movement, generously ornamented like the beautiful and rich façade of Bérain-style foliage and on the lid in its center, beautiful cartridge for the engraving of the monogram of the owner who did not see fit to affixing his Coat of Arms. The mounting on a light, fine and healthy oak gives this piece exceptional status; the stirrup with two finger grips is very ornate and has remarkable gilding
