

Important Pair Of Hard Stone Portal Pillar Capitals

2 400 EUR

Period : 19th century

Condition : Bon état

Material : Stone

Length : 94 cm

Width : 94 cm

Height : 50 cm

Description

Important pair of portal pillar capitals in hard stone from Villebois (Ain), carved in the 19th century in very good condition. Their upper tables measuring 61 cm on each side allow these pieces to be easily used as a base. The installation section is 62 x 62 cm. You can visit our site: www.claudeaugustin.com
