Congo Bembe Statue- Tribal Art - Africa

1 200 EUR

Period : 19th century

Condition : Quelques manques

Material : Solid wood

Height : 14

Description

Ancient Bembe statuette from Congo, presenting a standing ancestor, a stick in his hand.

Its belly features fine graphic scarifications in relief. Its eyes are encrusted with two white pearls.

This sculpture, with a magical and religious function, protected its owner from accidents and illnesses.

The right arm and the tip of the headdress are missing, some chips on the feet.
