Description

Superb very large cone-shaped vase in Baccarat crystal and patinated bronze base. The vase is made of crystal, most certainly from the Baccarat crystal works, it has flat ribs and a lacy wavelet neck. The antique green-brown patinated bronze base is of very high quality. On a tripod base stylizing branches, a multitude of foliage with water lily leaves, gunnera and three acanthus leaves holding the crystal vase. Very good condition of the house, we preferred to leave the patina of the bronze in its juice. The crystal has no dents or cracks, just a few micro scratches from use and cleaning. Napoleon III period around 1860. Delivery 18 euros in France, 35 euros in the EU and 100 euros rest of the world.
