An extremely rare mirror with the best pinkish color and arte povera decorations on golden cartridges. The mirror has never been touched and has remained in its original condition. Venice is famous for its unusual base colors in "Chinese varnish". Besides turquoise blue, soft pink is extremely rare. Unfortunately, this pink cannot be faithfully reproduced in photos. Circa 1740. A very similar pair was sold at Christies Monaco in 1999 with an estimate of 150-200,000 FFr and was sold for ca. 35,000 Euros. High definition photos are available
