Description

Secret chest of drawers or sloping desk in native wood veneer, plum, cherry walnut in veneer sets opening with a flap revealing lockers and drawers, the lower part opening with drawers resting on 4 sheathed feet, Functional furniture with good height for to work ! Work from Eastern France from the end of the 18th and or beginning of the 19th century. This provincial piece of furniture is presented in a "pretty" honey color with small gaps, old scratches, the price taking this into account!
