

## Small Old Florentine Iron Chandelier With Polychrome Flowers And Leaves

300 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Diameter : 35

### Description

Small cage chandelier with 3 lights, small E14 socket.

Made in Italy in the second half of the 20th century.

The chandelier has not been restored because sometimes our customers prefer this type of chandelier in its "faded" appearance, with dull colors and some traces of rust.

The chandelier works but we advise the buyer to replace the electrical system for safety reasons
