Description

Elegant silver metal ice bucket from Christofle. Truss-conical body decorated in its lower part with a large series of fine stripes which add a little fantasy. The handle is quite thin and has a raised rib along its entire length. The fasteners are simple, simply made up of a small flattened ball. The Christofle signature under the bottom of the bucket is very clear, as it is on the removable interior pierced bottom. The bucket is of a good size, 13.5 cm high and 12.5 cm in diameter. We chose to accompany it with the essential ice cube spoon from the same brand, of the baguette model to respect the sobriety of the whole. It is, as appropriate, widely openworked and provided with the clearly legible Christofle hallmarks. Its length of 21 cm is perfect for the bucket. This beautifully shiny set will enhance the serving of
