

Pair Of Stumpff Stamped Corners

7 500 EUR

Period : 18th century

Condition : Très bon état

Material : Marquetry

Height : 91cm

Depth : 50,5cm

Description

Rare pair of corners in precious wood marquetry with geometric patterns in perspective on an oak frame, doors with projections, slightly rounded uprights with simulated fluting, beautiful gilded bronze fittings, royal red marble top. This pair of elegant corners with a neo-classical design are stamped by Jean-Chrysostome Stumpff, received master in 1766, with the jurande hallmark. They are presented in their original state.
