### Description

I imagine the deliverance of the parturient who never stopped giving birth around the beginning of the 19th century... and of three... Mother courage... And then many years later, the triplets, still accomplices, had their portraits taken, together, adorned in their most beautiful dresses. They had reached adulthood when they made a pretty ceremony bouquet. Funny photo, where we try to find a distinctive sign between the three sisters.... I can't do it, too bad. Piano frame in gilded wood. Thanks to little LU who gives us the size.
