Description

Glass bell pendant from the 70's.
Superb bell with 10 ribs ending in points stretched with pliers, typical of MURANO work. The interior of the bell is decorated with applications of shards of fine white glass and honey-colored spots and stains. In a perfect state. The original E27 socket fits its original bulb, a large ball of 12.5 cm in diameter decorated with applications of glass powder in relief in amber glass. Cable mount, socket cover and bail cover in gold. In a perfect state.

Dimensions: Height of the bell 24cm and 32 cm in diameter

Total height 64cm
