Description

COD: 10076

American sculpture from the first half of the 20th century. Chiseled bronze work depicting the bust of a gentleman in a suit and tie of excellent quality. Sculpture in beautiful patina, of fabulous decor, adorned with a wooden base (see photo). Work for antique dealers, interior decorators and collectors of early twentieth century bronze sculptures. Sculpture finished from the center, ideal to be placed in a niche or on a desk, of great impact. In good condition.
