| Description |
|-------------|

Very pretty and rare sculpture in 800 silver.
Asian. Representing a scene of plowing in the rice fields. Peasants with their oxen at work. Very great finesse in the details and the creation of this little work of art. Visually very elegant and friendly! Very nice quality! In his juice ! Not cleaned. Dimensions of 16 cm long by 6 cm wide. Artist to be defined! Very nice job ! Do not miss !
