Description

This Parisian work table features a circular top in speckled mahogany veneer surrounded by a double brass cord and a projecting groove. The belt, plated vertically with projecting elements, is decorated with a frieze of garlands with bronze pompoms. This tray is supported by a six-sided conical shaft in rosewood veneer arranged in butterfly wings with lemon tree fillet, amaranth corners and garland interlacing motifs. This barrel rests on a stepped star-shaped base in violet wood with gadrooned sticks, cords and small motifs in gilded bronze. The whole ends on six claw feet. This pedestal table will be noted for its ornamentation and its high quality woods. ******** Period: Mid-19th Century Excellent condition. Varnished finish on hard base.
