### Description

Gouache painting from the 18th century representing an outdoor scene with antique theater and characters. Very interesting painting with a magnificent landscape representing a view inspired by antiquity with a volcano in the background and in the foreground an ancient theater animated by characters in the style of Hubert Robert or Pillement. Note the very good quality of production of the whole as well as the details visible in the texture of the characters. Very pretty carved wooden frame from the 20th century. Note the exceptional freshness of the colors and contrasts. Possibility of sending in France and throughout the world by secure and insured package. Frame dimensions 32 by 37.
