Description

Earrings in 750/°° white gold (18 KT, eagle's head hallmark) "flea" or "nail" type adorned with two old-cut diamonds. These diamonds are mounted on so-called "sun" or "illusion" bezels, whose refined work supports and highlights the stones, while visually giving them scale. These old cut diamonds have a very white color and very beautiful crystallization, which gives them a very lively shine. These earrings are fitted with posts for pierced ears and very secure "alpa" (or "guardian") type clasps, each post having a safety catch. Their harmonious proportions mean that these curls sit ideally on the lobe. A refined, essential and timeless jewel... Total weight of the diamonds estimated at approximately 1.00 ct
Gross weight: 3.30 g Condition: imperceptible micro-scratches on the gold parts, natural
