PIERRE VANDEL

Coffee table with 2 trays - 1970

black lacquered metal, gold metal, beveled glass
for the upper tray

Good general condition - some traces of use (see
photos)

Stamp

- French Pierre VANDEL had a profound impact
on the design of the 70s. He is known both for his
magnificent Vertèbres armchair (1972), and for
his elegant tables with angular and clean lines. He
collaborated with Marais International, before
