

Diamond And Onyx Art Deco Ring

4 200 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Description

18 K Gold (750/1000) and Platinum Art Deco Rectangular Ring set with Onyx and an Old Cut Diamond, circa 1900.

This superb Art-Deco ring is set in its center with an old cut diamond weighing approximately 0.60 carat in a faceted onyx plate. The ring in 18K yellow gold and platinum, beautifully crafted, is a typical work of the Art-Deco period with its finely chiseled basket. Note the contrast of the yellow gold and the platinum claws setting the onyx.
