## Panther Drinking, In Glass Paste

3 700 EUR

Period : 20th century

Condition : Parfait état

Material : Glass paste

### Description

Large sculpture in glass paste, signed on the black glass base on the facade.

Fabulous quality!

Representation of a panther coming to drink, in a contrast of colors of very great creations.

The work is spectacular and seems unique in the creations of this sculptor, best known for his bronzes.

To our knowledge, there is no other glass paste realization of this artist.

It is undoubtedly a masterpiece that should be reproduced in the future!
