

Folding Ensign Carbine Tropical No. 6 C.1925

600 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Description

Folding Ensign Carbine Tropicale n°6
Houghton-Butcher Metal body, brown Russian leather bellows Device made of shiny bronze varnished metal, "Florentine" type. Houghton has produced very beautiful tropical foldings, all characterized by an "oxidized copper" coating (Florentine bronze after Mc Keown, therefore a brass with 85% copper and 15% zinc) and tan leather bellows.
