Description

Small triumphal commemorative column in ebony and most certainly silver, decorated with a bone (ox) coat of arms decorated with a wing of Victory, surmounted by a crown, with a laurel branch below, base decorated with several coats of arms on each side, from the 19th century. This column is in good general condition. The coats of arms on the base represent respectively: a castle tower, a Victory wing, a castle entrance flanked by two turrets, four stars. Note: probably missing a small ball which topped the crown, play in the thread (all the elements rotate a little), dirt on the silver, wear and tear over time, see photos. Height: 16 cm Base: 6.6 cm x 6.8 cm Reference: E60 364 All photos are on: www.antiques-delaval.com
