Description

Very pretty Hollywood Regency chandelier composed of a central silver pineapple, surrounded by its golden brass leaves and 6 lighting arms. Work of the German manufacturer Hans Kögl, we recognize certain decorative elements typical of his style, in particular the braided rope surrounding the lower leaves. Work from the 1970s, in good condition, oxidation spots on the gilded brass, see photos. Dimensions 164 x h55 cm (h95 cm with chain).
