

Pedestal Table From Empire Period Return From Egypt In Mahogany.

850 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Diameter : 55 cms

Height : 73 cms

Description

19th century pedestal table in mahogany and Cuban mahogany veneer. Tripod, sheathed feet surmounted by female caryatids and ending in bronze lion claw feet. The three legs are joined by a mahogany shelf. A drawer mounted on oak, with dovetails in the belt. Sainte Anne gray marble top surrounded by a bronze ingot mold. This pedestal table is in good condition, with tiny breaks in the veneer. Delivery possible, please contact us.
