Description

Superb large bronze with double patina representing a hunter and his dog, on a black marble base.
The arrow is gone, the dog no longer waiting for it to hit its target to bring it back to its master.
The marble has two small chips in the corner (restorable but they have their charm), otherwise this group is in perfect condition with an intact patina ! Signed on the terrace "L.Riché" and marked "BRONZE".
Old cast iron of excellent quality.
France, circa 1930.
