Description

Discover this magnificent and rare French watchmaking treasure dating from the time of King Charles X. This pendulum illustrates with finesse and delicacy the Emperor Justinian in all his grandeur. Dressed in the uniform of a Roman general, the emperor is represented in a pensive attitude, highlighting his intellectual profile and his exceptional charisma. Her expressive face and the meticulous detail of her hair demonstrate the artistic know-how of the period. At the foot of the malachite pendulum, the arms of the Empire are skillfully arranged, adding a touch of authenticity and history to this object of great artistic quality. The generous dimensions of this masterpiece, measuring 65x48x18 cm, make it an imposing piece that will captivate all eyes and enhance any interior. Treat yourself to this unique piece that
