### Description

On presentation, an exceptional necklace in blue amber, visible only with an ultra violet lamp, it will bring out a natural light from the amber in blue Origin Indonesia, region of JAKARTA, rare round necklace cut gradually, extremely difficult to find quality on this piece of resistance, for an additional joy without concession on the quality It is good ideas to be inventive, to carry out a complement of quality pieces, for a new creation, of which I do not have the opportunities Advice to the creator, who has great imaginations, frankly superb pieces.....nothing to say about it Shipping, recommend and signature upon receipt
