Description

COD: 11078

Scenic Umbertine sideboard from the second half of the 19th century. Italian furniture with a strong visual impact, ideal for a large reception room or master bedroom. Sideboard of notable construction quality, with finely crafted, lacquered and gilded woods. Excellent quality golden wooden decorations have been applied to the doors and sides (see photo). It has a shaped and recessed white marble top in good condition, with some small signs of aging. Under the top, we find a central drawer with handles. The two doors hide three drawers of excellent capacity (see photo). Note the finely sculpted and gilded zoomorphic front feet, beautifully decorated. Chest of drawers in beautiful patina with very small lack of a wooden curl on the left side (see
