Description

Refined Italian tall vase in Murano art glass, 1960s. This vase is characterized by a particular design shape. The vase is of high artistic quality made with the submerged glass technique. Thanks to this technique, the vase has a color that starts from orange at the bottom and fades to bright red at the top. The beautiful color combination used creates a flame effect. The outside is ribbed. Its particular shape is unique, slender upwards where it opens like a petal. Vase of great refinement you will be truly fascinated when you see it.
