Serving Dishes And Bells In Silver Metal

2 300 EUR

Period : 20th century

Condition : Très bon état

Material : Silver metal

Diameter : 29.9 cm

Height : 1.8 cm

Description

Set of 6 serving dishes with their silver metal bells.

The sockets of the bells are decorated in the Basque country, with motifs of leaves and Espelette peppers.

Good condition, beautiful shine.

There are some slight scratches from use on the boards and we can notice that the silvering has blistered on two bells.

This remains barely visible on an overall view.

20th century work hallmarked SIS 1000.
