Description

Nine-light crystal chandelier. It is made up of four crowns of progressive sizes with several arched branches. The branches connect several festoon garlands made of cut crystal beads. Several drops of water topped with a flower hang on the branches. The lower crown, the largest, carries the nine arms of light ending in a binet and a bobèche lined with an enameled crystal cup, dotted with golden flowers and decorated with a golden border. It ends with his crystal ball. Its compact and full appearance gives it a very special charm. Electrification in good condition and functional..
