17th Century Spanish Brazier

580 EUR

Period : 17th century
Condition : Bon état
Material : Solid wood
Length : 78 cm
Width : 78 cm
Height : 36 cm

Description

Very beautiful Spanish brazier from the 17th century. Beautiful piece that can now be used as a flower holder, coffee table. Beautiful decorative element. I particularly like his wrought iron nails and wood grafts. The copper basin is slightly pierced.
