

Floor Lamp Composed Of An 18th Century Base

850 EUR

Period : 18th century

Condition : Très bon état

Material : Solid wood

Height : total 166cm piètement 140cm

Description

Superb and large oak floor lamp with an 18th century base. The curved base rests on 3 scrolled legs linked together by scrolled crosspieces topped with flat-banded panels. The central column is turned and composed of balusters. Made on the basis of an old lectern leg, the electrification has been completely redone. Quality 18th century work in perfect condition.
