

Louis XVI Rotating Clock

6 750 EUR

Period : 18th century

Condition : A restaurer

Material : Bronze

Height : 39

Description

Rare rotating clock called "Au Temple d'Amour" in white Carrara marble and gilded bronze.

A French work around 1775, Louis XVI period.

This clock is in good original condition (untouched ; needs to be cleaned).

The bronzes of this rotating clock are finely chiseled and mercury gilded.

There is a small old damage at the marble (see picture) , hidden by the gilded bronze gallery (you cannot see it).

Beautiful quality clock !

Height = 39 cm
